Group Fitness Class Descriptions

CARDIO CLASSES

Aerobics

Aerobics is a form of exercise that combines rhythmic aerobic movement with stretching and strength training routines, with the goal of improving all elements of fitness.

Cycle Fit

An energetic and powerful ride on our indoor cycling bikes, filled with a combination of drills which include hills, intervals and time trials.

Interval Training

This high energy workout alternates between bursts of high intensity exercises and periods of low intensity recovery, maximizing calorie burn while building strength and endurance. Perfect for all fitness levels this class helps improve cardiovascular health, tone muscle, and boost metabolism.

Interval Cycle and Core

A high-intensity interval training that alternates cycle and core strength using a variety of equipment, including body weight, bands, toning balls and free weights to sculpt all the muscles groups of the core.

Metabolic Conditioning

A moderate to high-intensity strength and cardio class designed to increase lean muscle mass and aerobic capacity. Workouts will incorporate free weight, band, and body-weight exercises with quick cardio intervals.

Step

An upbeat choreographed cardio class that uses a step for high impact to sculpt while you sweat.

DANCE CLASSES

Bolly X®

A Bollywood-inspired dance-fitness program that combines dynamic choreography with the hottest music from around the world. Its 50-minute cardio workout cycles between higher and lower-intensity dance sequences to get you moving, sweating, and smiling.

Zumba®

Join us outdoors for Zumba®, a high-energy, Latin-inspired dance-fitness program that will have you addicted!

STRENGTH TRAINING CLASSES

Bootcamp

A total body interval workout with a variety of strength, interval, MET, HIIT and TRX/RIP to rev your metabolism and condition your entire body.

Muscle Fit

A motivating combination of traditional barbell training exercises matched to top hit music to create a fun and efficient way to strength train. You've never had this much fun lifting weights!

Muscle Fit Express

A slightly shorter version of Muscle Fit - made to fit into reduced class times like lunch time.

Strong Nation®

High-intensity training, syncing music and strength moves, delivering an effective, total body workout. Music is the driving force to work hard and see results. Strong provides an intensity progression system; biomechanics and movement fundamentals are applied for injury prevention.

TRX

A core engaging alternative to traditional strength training, TRX is a total-body workout that will strengthen all major muscles while giving the best core training your abs have ever seen!

YOGA AND STRETCH CLASSES

CIRCL Mobility™

This class helps you release stress, restore your range of motion, and renew your ability to move better, longer.

Evening Flow Yoga

This class begins with movement to burn off energy and then the class gradually begins to hold the poses for longer periods of time to allow the body to rest. All skill levels welcome.

Fusion

A dynamic unity of pilates and yoga designed to challenge, strengthen and stabilize your core and increase vitality.

Stretch & Relax

Join a soothing atmosphere devoted to releasing tight muscles as well as focusing on relaxing through breathing. Together we will find relaxation of your mind and body.

Yoga

A basic foundation and peaceful approach to improve strength and flexibility.

Yoga Fit

An opportunity to connect to your awareness using a combination of fitness stretching and traditional yoga moves.

SENIOR CLASSES

Gentle Fit

A gentle paced alternative to our Senior Fit classes for those older adults that are just starting out or coming back to fitness. It will include simple aerobic activity followed by strength, range of motion, balance work, and stretching. This program is designed to provide a gentle progression of low-risk exercise to those with arthritis, osteoporosis, or adapting to chronic disorders.

Rejuvenate

A full-body strength, balance, & coordination class for those that generally have full range of motion but cannot comfortably get to the floor. Three rounds of exercises working strength, balance, coordination, gait and cardio intervals.

Senior Fit

Celebrate movement in a fun and supportive environment that is designed to increase strength, vitality and connection with others. This program is designed to provide a gentle progression of low-

risk exercise to those with arthritis, osteoporosis or adapting to chronic disorders.
